ON THE NOSE

Aromas of aniseed and coffee, underlined by an attractive combination of caramel, dried fruits, almonds, hazelnuts, cocoa, apricot-stone.

Pleasantly sweet; the harmonious combination of aniseed and coffee is dominant and warming to the mouth. The finish is marked by delicate notes of aniseed, coffee, and eggnog.

SERVING SUGGESTIONS

It is an excellent accompaniment to dessert. It can also be mixed with dark soda ingredients such as 'chinotto', Coke or ginger ale.

It is delicious both neat and iced or topped with a layer of cream. It is a basic ingredient for lacing the coffee ice cream and for

shaked coffee. Serve in the dark chocolate 'Cicchetto' or heated as grog to surprise your guests.
