# VARNELLI

Uniquely different.

First awarded the Gold Medal in 1950 as “the best Italian dry anisette”, *Varnelli* is a unique flavor among the Mediterranean anise-based liquors. Since the early 20th Century the tagline on the label, *A farmi preferir basta un assaggio = It hooks you at the first taste*, has been promising what is going to happen.

## TO THE EYE

Clear, brilliant, transparent, with bluish highlights.

## TO THE NOSE

The intense and persistent aroma of aniseed develops into a fragrance of wild fennel, dill and cumin, enriched with floral scents.

## ON THE PALATE

All-enveloping and full-bodied, medium dry, it recalls the same intense, and persistent aroma found in the bouquet: aniseed, cucumber and wild fennel. The long-length finish is harmonious, and very pleasant.
